THE ADMINISTRATION -a

George Gund III

CO-CHAIRMAN OF THE BOARD

When you look at the ownership level in the National Hockey League, you see very few people who play the same game that they operate. Maybe they played when they were kids, but not now. George Gund, who, with his brother Gordon, owns the Minnesota team, is an exception to the rule.

Gund, 47, played an active role on the ice through last season. What's more, the North Star team is not his only hockey property. Gund is an owner of Sun Valley, Idaho, Ice Skating, Inc., and takes a regular shift on defense for the Sun Valley Suns. Gund's interest in the playing end of the game is not new-found. He played hockey as a youngster in his home town of Cleveland and organized the first team at Western Reserve University. He also played for the Cleveland Falcons in that city's league and for city league teams in Seattle and San Francisco.

Gund entered the National Hockey League picture in 1975 when he became part owner of the California Seals. He was instrumental in the move of the California team to Cleveland in 1976 and in the purchase of the team by him and his brother in 1977. It was in June of 1978 when he helped to put together the unprecedented merger of the Minnesota and Cleveland teams and a little over a month later when the Gund brothers assumed 100 percent control of the North Stars.

He is a director of the Ameritrust Corporation and is a past Board Member of the Redwood Bank in San Francisco. Along with real estate interests in the Bay Area and Port Angeles, Wash., he has a cattle ranch in Lee, Nev. In addition, he is an importer and distributor of foreign films and chairman of the San Francisco International Film Festival. He was a founding shareholder and past chairman of the Board of the Rusty Scupper Restaurant chain.

Gund is a Trustee of the George Gund Foundation, the San Francisco Art Institute and the University of Nevada Foundation in Reno, Nev. He is a member of the Board of Directors of the U.S. Hockey Hall of Fame and a member of the International Council of the Museum of Modern Art in New York. He is on the collectors committee of the National Gallery in Washington, D.C. and was recently appointed to the Ohio Film Bureau in Columbus, Ohio. He is a partner of Gunwyn Ventures, a venture capital company and Vice Chairman of Gund Investment Corporation. Gund and his wife, Theo, make their home in Sun Valley. They are parents of two boys.

Gordon Gund

CO-CHAIRMAN OF THE BOARD

Gordon Gund's interest in hockey sprang from his days as a boy at Groton School, was reinforced at Harvard University where he played defense for the Crimson and continues today at the National Hockey League level. Gund, 44, joined his brother, George, in 1977 in ownership of the former Cleveland Barons and played a key role in the summer of 1978 when the Gunds assumed control of the North Stars and the Met Center.

The expertise shown in completion of the merger is typical of Gund's successful, wide-ranging career in business and public service. Gund is founder and managing partner of Gunwyn Ventures of Princeton, N.J., and principal owner and general partner of GUS Enterprises, San Francisco. Gunwyn is a venture capital firm with investments in several industries. GUS Enterprises, formed in 1969, is involved in all phases of real estate development nationally for its own account. Gordon is a director of First Florida Banks, a Florida bank holding company headquartered in Tampa, Fla.

He has taken a leading role in national charitable/philanthropic endeavors. In 1971, he co-founded the RP Foundation-Fighting Blindness headquarted in Baltimore, and is now Vice Chairman and Trustee of the foundation. This foundation is dedicated to finding a treatment or cure for retinitis pigmentosa and allied degenerative diseases of the retina which impair the vision of many thousands of children and adults in this country alone, often leading to total blindness. This foundation now has 44 chapters in 28 states and 14 international affiliates.

Gund was recently appointed as a member of the National Advisory Eye Council (NAEC). NAEC has responsibility for the direction and oversight of federal funds available for eye research nationally. He is president and a trustee of the Gund Collection of Western Art, a travelling collection of 70 works of art, representing some of the most recognized American western artists including Remington, Russell and Bierstadt. Gund is also President of the Board of Trustees of Groton School in Groton, Mass.

John F. Karr

PRESIDENT

John Karr's tenure as president of the Minnesota North Stars parallels the team's rise to the upper levels of the National Hockey League. Since he took over direction of the organization, the North Stars have been transformed from a last-place team to a Norris Division champion, a Stanley Cup semi-finalist and finalist.

Karr's duties encompass much more than his relationship with the North Stars. He is responsible for all the variety of activities that take place during the operation and promotion of a multi-purpose facility such as Met Center. Karr is president and chief operating officer of the corporation that governs the team and building. He serves on the club's board of directors and is an alternate member of the NHL Board of Governors.

Karr, 55, entered the business world in 1953 after he was awarded his MBA at Indiana University. He served on management teams for the Burroughs Corp., The Trane Co., Arthur D. Little, Inc., Goodyear Tire & Rubber Co. and Cole National Corp. For Cole National, a New York Stock Exchange listed specialty retail company, he served in several capacities including Vice President-Planning, Vice President Finance and Administration and a member of the board of directors. Karr moved into the National Hockey League during the 1977-78 season as president and chief operating officer of the Cleveland Barons. After completion of the history-making amalgamation of the Cleveland and Minnesota teams, Karr was chosen for the same positions with the North Stars.

Karr spent his early days on Michigan's Upper Peninsula in the small town of Allouez. He later moved to Detroit and attended high school in that city. He served two years in the United States Army. Karr graduated in 1952 from Wayne State University. Karr and his wife, Mildred, make their home in Edina. They are the parents of four children, two boys and two girls.

John Mariucci

ASSISTANT GENERAL MANAGER

John Mariucci is the symbol of hockey in Minnesota. More than any other living person, he stands for the game in this state. The 68-year-old native of northern Minnesota's Iron Range decided long ago to devote himself to promoting and upgrading American and college hockey. He's been at it for more than four decades, and was the guiding force behind the rise of high school and college hockey in the United States. He played a major role in establishing the tremendously successful Minnesota high school hockey program and in leading the University of Minnesota hockey team to national prominence.

Mariucci went from his home town of Eveleth to the University of Minnesota where he starred in hockey. He was chosen as an All-American player in 1940, his senior year at Minnesota. After graduating, Mariucci joined the Chicago Black Hawks as a defenseman. At that time the NHL employed only a handful of Americans and even fewer college-bred players. By 1968, six Americans and five collegians played in the NHL

Mariucci played five years in the NHL - all with Chicago. In those five seasons he scored 45 points (11 goals and 34 assists) in 223 games. He appeared in the Stanley Cup playoffs twice, in 1940-41 and 1945-46.

In 1952, Mariucci began the first of 14 seasons as head hockey coach at the University of Minnesota. It was there that he coached NY Rangers' coach Herb Brooks and Lou Nanne, under whom he now serves as Assistant General Manager of the North Stars. He encouraged Glen Sonmor to go onto coaching and hired Sonmor to take over the freshman team at Minnesota while he led the U.S. Olympic team to a silver medal in the 1956 Winter Olympics at Cortina d'Ampezzo, Italy. Mariucci left the University in 1966 with a record of 215-148-18.

Mariucci joined the North Stars in 1967, serving the team in various positions, largely in the field of collegiate scouting, before Lou Nanne appointed him to his present job. He now handles many duties for the North Stars, including a heavy scouting schedule in the United States, Canada and Europe.

Mariucci is a member of the United States Hockey Hall of Fame and of the selection committee of the NHL Hall of Fame in Toronto.

Lou Nanne

GENERAL MANAGER

The fact that Lou Nanne chairs the General Managers' Committee of the National Hockey League is one more indication of the respect he has earned from his peers in the six seasons he has been at the helm of the Minnesota North Stars. Nanne has been active at the league level, but much more involved in the affairs of the North Stars. He took over a team in 1978 that was worst in the NHL and has made it one of the dominant clubs in the league. Make no mistake, the team is his creation. Only one player at this year's training camp (Brad Maxwell) was his teammate on the 1977-78 squad. The rest arrived as the result of deals and drafts arranged by Nanne. He not only serves the North Stars as general manager, but also is vice president and one of Minnesota's alternate members of the NHL Board of Governors.

Nanne has been a North Star ever since he turned professional. He was the only performer to play with the North Stars in all of the first 11 years of the team's existence. Over those 11 seasons he played defense most of the time, but had a couple of highly-successful seasons at right wing.

A native of Sault Ste. Marie, Ontario, Nanne played minor hockey with Phil Esposito, but chose to attend the University of Minnesota where he became the only defenseman to win the WCHA scoring title. A naturalized citizen, he captained the United States Olympic team in 1968. Since 1964 he has served as color commentator during television broadcasts of the Minnesota high school hockey tournament. He is the most-recognized hockey figure in the state. Nanne, 43, and his wife, Francine, live in Edina. They are the parents of a girl, twin boys and a third boy.

Bill Mahoney

COACH

Bill Mahoney's 20th year of hockey coaching was, by all standards of measurement, his finest. His first year behind the bench of an NHL team produced a Norris Division championship and a team that went to the Campbell Conference Championship in the Stanley Cup playoffs.

Under his direction the North Stars moved into first place in their division early in the season and never looked back. The title was only the second in the North Stars' 17-year history in the National Hockey League.

The 12th man to coach the North Stars, Mahoney brought a wealth of coaching experience with him when he signed on at Minnesota in the summer of 1983.

Mahoney, 44, was a teacher and coach for 16 years at McMaster University in Hamilton, Ontario, where he was chosen Canadian College Coach of the Year in 1978-79. He steered McMaster to a 24-6-5 record that season. In 1980, he was granted a two-year leave from McMaster and became assistant coach of the Washington Capitals. He worked for the Capitals all of the 1980-81 season plus part of 1981-82 until he was caught in the fallout of Coach Gary Green. Mahoney was scheduled to return to McMaster when Detroit hired him to coach its American Hockey League farm team in Adirondack in 1982-83.

His teams over the years have been noticeable for their discipline and their attention to checking. He also attaches great importance to takeouts and to the physical side of the sport.

The Minnesota coach is a native of Peterborough, Ont., where he played Junior A hockey under Scotty Bowman, now general manager and coach of the Buffalo Sabres. Mahoney earned two bachelor of arts degrees - one in history from Carlton College in Ottawa, Ont., and one in physical education from McMaster. He earned his masters degree in physical education from the New York State University in Buffalo. At McMaster, Mahoney was also a professor of kinesiology and human anatomy in the physical education department. Bill and his wife, Doreen, make their home in Bloomington. They have a daughter and a son, both students at the University of Western Ontario in London, Ontario.

Murray Oliver

ASSISTANT COACH

Murray Oliver has spent five seasons in a number of coaching roles with the North Stars and the Minnesota franchise has experienced some of its best seasons when he has been on the scene.

Last year he served as Coach Bill Mahoney's only assistant. This year he will share that position — as he has in the past — with J.P. Parise. He also acted as head coach when Glen Sonmor stepped down during the 1982-83 regular season and co-coach with Lou Nanne during the playoffs that year.

Oliver has coached 40 NHL games and has a 21-11-8 record. His win-loss percentages of .597 in 1982-83 and .625 overall are among the best ever recorded by a North Stars' coach.

His entry into the coaching ranks followed a long and distinguished career in the National Hockey League. His 16 years of service were recognized by the NHL last season when Oliver received the league's Milestone Award.

The 46-year-old Oliver came to the North Stars in 1970 after spending the earlier years of his NHL career in Detroit, Boston and Toronto. He was chosen the team's most-valuable player after the 1971-72 season. A native of Hamilton, Ontario, Oliver now makes his home in Edina. He and his wife, Helen, are the parents of a son and a daughter.

J.P. Parise

ASSISTANT COACH

J.P. Parise returned to the North Stars this year as an assistant coach after serving the 1983-84 season as head coach of Minnesota's Central League farm team, the Salt Lake Golden Eagles. He steered that team to a 35-35-2 record, third place in the final CHL standings.

This is his fifth season as an assistant coach for Minnesota, a position he had shared with Murray Oliver for four seasons before being named coach of the Golden Eagles.

He spent 11 full seasons and parts of three others in the NHL. The 43-year-old from Smooth Rock Falls, Ontario played left wing eight straight seasons for the North Stars, then went to the Islanders and Cleveland before returning to Minnesota as part of the Cleveland merger in 1978. He was named Minnesota's most valuable player in 1969-70 and played for Team Canada in the historic first series against the Soviet Union.

Parise, who was captain of the North Stars during his last season as player, is still third (behind Tim Young and Bobby Smith) among the team's all-time leaders with 242 assists. He is fourth with 396 points and fifth with 588 games played. Parise and his wife, Donna, live in Bloomington. They have two sons, Jordan and Zachary.

Height: 5-9 — Weight: 172 lbs.
173 cm. — 78 kg.
Age: 26 (April 15, 1958)
Born: Stouffville, Ont.
Off-Season Home: Stouffville, Ont.
Right Handed, Shoots Left

1983-84 — Keith Acton made an immense difference to the North Stars after the club acquired him from Montreal early last season. His point totals with Minnesota were respectable — 17 goals and 38 assists in 62 games. But the intensity and willingness to sacrifice he brought to Minnesota meant far more than the raw statistics. During the playoffs he was Minnesota's most effective player despite playing with a knee injury that required minor surgery immediately after the season.

His Game — Acton's game combines both offense and defense. He is a good goal-scorer and excellent with the puck. He is a very aggressive player who is capable of going head-to-head against the top offensive centers in the league. His game is often likened to that of Boston's Kenny Linseman. Although there are similarities — hard work, mobility, tenacity — Acton's game is his own. His penalty totals, for instance, are far below those of Linseman. He is a penetrating offensive player. His defensive game is a model of diligence. His total game is a reflection of the work ethic.

Career — Instant success was not the path for Acton. As a draft choice he was far down the list (103rd) when Montreal chose him in 1978. He went back to his junior team in Peterborough, Ontario, for the 1978-79 season, then spent two years in Montreal's American League outpost in Halifax, Nova Scotia, preparing for his NHL debut. When he did join the Canadiens, he was ready and spent three solid seasons in their lineup before his departure for Minnesota.

Notes — Enjoys swimming and reading . . . Played for former NHL coaches Roger Neilson and Gary Green when he was a junior at Peterborough . . . Married, his wife's name is Susan . . . Nickname is Woody . . . Works at a car dealership in Stouffville during the off-season . . . Played for the North Stars in the Molson NHL slo-pitch tournament last summer in Niagara Falls.

Obtained — Obtained from Montreal October 28, 1983 along with Mark Napier and Montreal's third choice in the 1984 Entry Draft for Bobby Smith.

Brent Ashton

LEFT WING

17

Height: 6-1 — Weight: 198 lbs.
183 cm. — 90 kg.
Age: 24 (May 18, 1960)
Born: Saskatoon, Sask.
Off-Season Home: Saskatoon, Sask.
Right Handed, Shoots Left

1983-84 — Brent Ashton played the role of designated hitter among the Minnesota forwards in his first year with the North Stars. Coach Bill Mahoney also used him in a defensive role. These tasks limited his offensive production, but his value to the team was expressed in more than goals and assists.

His Game — Ashton is a grinding hockey player. He is very strong and plays the game hard at both ends of the rink. He's one of the best, if not the best, hitters among the Minnesota forwards. He also adds a defensive dimension to the North Stars' corps of wingers.

Career — Ashton was Vancouver's second choice and the 26th player taken overall in the 1979 Entry Draft. He missed much of his rookie season because of a knee injury. In 1981 he went to the Colorado Rockies via Winnipeg. His best NHL season was at Colorado in 1981-82 when he scored 24 goals and 60 points, both records for Colorado left wingers.

Notes — Tied an NHL record for assists by rookie in one game, collecting four in Canuck's 5-2 win over Atlanta, March 10, 1980 . . . Has been a competitive water skier . . . The deal that sent him to Colorado via Winnipeg was in partial compensation for Vancouver's signing of Czechoslovakian players in 1981 . . . Enjoys softball and golf . . . Nickname is Ash . . . He has two older brothers. Ron, the eldest, played four years for the Winnipeg Jets in the WHA.

Obtained — Obtained from New Jersey October 3, 1983 for Dave Lewis.

Don Beaupre

(BO-pray)

GOALTENDER

33

Height: 5-8 — Weight: 162 lbs.
170 cm. — 73 kg.
Age: 23 (Sept. 19, 1961)
Born: Kitchener, Ont.
Off-Season Home: Burnsville, Minn.
Right Handed, Shoots Left

1983-84 — Don Beaupre is 23 years old and has played goal in the National Hockey League for four years. But it was the 1984 playoffs when he reached maturity as an NHL goalkeeper. He started in goal for the North Stars in the third game of the Division Semi-Finals against Chicago. He played the balance of that series and every one of the seven-game Division Finals against St. Louis. He started the first three games of the Campbell Conference Championship against Edmonton for a total of 13 straight appearances.

His Game — Beaupre depends on speed of hand and foot for his success in goal. Given his size, he has to move quickly to stop the kinds of shots he faces in the NHL. He has an especially fast glove hand and is adept at going down at the right time and getting up soon enough to frustrate his foes. He also is a combative performer, defending his crease with uncommon ferocity.

Career — Beaupre arrived in the NHL with all the brilliance of a meteor. He started in the NHL All Star game at the age of 19 and finished third in voting for rookie of the year. His play fell off the next season and there was speculation that he was a one-season wonder. His showing the next two seasons proved that the talk was no more than hot air.

Notes — Nickname is Bobo . . . Played junior hockey in Sudbury, Ontario . . . Played for the North Stars in the Molson NHL slo-pitch tournament last summer in Niagara Falls . . . Likes to watch pro wrestling . . . Was the winning goalie in Minnesota's only Stanley Cup finals victory . . . Enjoys golf . . . Beaupre is not married . . . His name appears to be French, but he is German by descent.

Obtained — Minnesota's second choice (37th overall) in 1980 Entry Draft.

Brian Bellows

RIGHT WING

23

Height: 5-11 — Weight: 195 lbs.
181 cm. — 89 kg.
Age: 20 (Sept. 1, 1964)
Born: St. Catherines, Ont.
Off-Season Home: Eden Prairie, Minn.
Left Handed, Shoots Right

1983-84 — Brian Bellows was one of the best second-year performers in the National League last season. He led the North Stars with 41 goals and was second to Neal Broten in scoring with 83 points. He was equally effective during the playoffs where his 14 points in 16 games was best on the Minnesota roster.

His Game — He doesn't bring Wayne Gretzky or Denis Savard to mind. But he does bring back memories of the young Gordie Howe. Bellows is not a finesse player, but a grinder and a good all-around player. He is an intense competitor who is 100 percent into the game all the time. He was the North Stars most consistent player last year.

Career — Bellows' final year of junior, which culminated in the Memorial Cup title for his Kitchener team, saw him play under the blinding glare of media attention from start to finish. He was the only entrant in what was called the Bellows Sweepstakes, the duel among NHL teams to gain the No. 1 overall draft choice and his services. Play during his first two years in the NHL was conducted under more normal circumstances, but Bellows still attracts more attention than most of his teammates.

Notes — Bellows is single ... He made his home with a Twin Cities family last season ... His father is foreman at a GM plant ... Played for Chicago Coach Orv Tessier at Kitchener in 1980-81 ... Played for Team Canada in the 1984 Canada Cup series ... Served as the North Stars' captain last season when an injury forced Craig Hartsburg to undergo an operation ... Attended The College of St. Thomas last summer ... Enjoys windsurfing.

Obtained — Minnesota's first choice (second overall) in 1982 Entry Draft.

Neal Broten

(BRAW-ten)

CENTER

Height: 5-9 — Weight: 169 lbs.
172 cm. — 77 kg.
Age: 25 (Nov. 29, 1959)
Born: Roseau, Minn.
Off-Season Home: Savage, Minn.
Right Handed, Shoots Left

1983-84 — You couldn't ask for more than Neal Broten contributed to the North Stars last season. He won the team's scoring championship with 89 points. He was the highest-scoring American-born player in the NHL. His plus-16 record was second best on the squad, only one point shy of Tom McCarthy's plus-17. Finally, he won the votes of his teammates for the Bill Masterton Memorial Cup awarded to the club's most valuable player.

His Game — Broten is a skilled goalscorer — 28, 38 and 32-goal seasons bear witness to that — but his strongest role is as a playmaker. It's a pleasure for wingers to play with him. Time after time he puts them in for excellent chances. It's no coincidence that Dino Ciccarelli's all-time single-season record of 55 goals was set when he spent most of his time playing on Broten's line.

Career — Name an honor and its more than likely that Broten has won it. He was a star for Roseau High School in two Minnesota State Tournaments. He was a gold-medal winner in the 1980 Winter Olympics, an All-American at the University of Minnesota and recipient of college hockey's highest award, the Hobey Baker Award, in 1981. He was a Stanley Cup finalist with the North Stars in 1981, a performer for the Campbell Conference in the 1983 NHL All-Star Game, winner of the 1982-83 Emery Edge Trophy awarded to the top plus/minus player on the team and winner of the North Stars' MVP award in 1983-84. He also played for the United States in the 1984 Canada Cup series.

Notes — Neal's brother, Aaron, a teammate at Roseau and the UM, plays for the New Jersey Devils ... A second brother, Paul, played in the state tournament with Roseau the last two seasons and has followed his brothers to the University of Minnesota ... Scored a goal in his first NHL game ... Has been chosen as the most popular North Star by a vote of fans the last three years ... Neal and his wife Sally are the parents of a daughter, Brooke ... Sally grew up on a hobby farm a few miles from Roseau. She started showing horses when she was eight and rode in barrel races a few years later. When Neal joined the Olympic team in 1980, Sally left Roseau to ride rodeo in Colorado. They now have two horses.

Obtained — Minnesota's third choice (42nd overall) in the 1979 Entry Draft.

Dino Ciccarelli

RIGHT WING

Height: 5-10 — Weight: 180 lbs.
175 cm. — 82 kg.
Age: 24 (Feb. 8, 1960)
Born: Sarnia, Ont.
Off-Season Home: Burnsville, Minn.
Right Handed, Shoots Right

1983-84 — During the four seasons that Dino Ciccarelli has played with the North Stars, the popular right winger has averaged slightly more than one goal in every two games. He was right on target last season when he connected 38 times in 79 games. He also added two hat tricks — during a 10 goals in four games splurge — to run his team record total to nine.

His Game — When Dino is on top of his game, he is in constant motion. He won't stand still for even a moment near his opponents' net. He darts in and out of the crease, is in front of the cage one moment, in back of it the next. That frees him to receive the passes, gobble up the rebounds and score the goals. His defensive game has improved steadily over the past two seasons.

Career — So far his NHL career has been played in a blaze of glory. Dino has been chosen to play in two All-Star Games. He holds the team record for goals in one season with 55. He set an NHL record by scoring 14 goals as a rookie in the 1981 Stanley Cup playoffs. All of this might not have taken place had General Manager Lou Nanne not signed him as a free agent after a fractured femur nearly wrote an end to his career in 1978.

Notes — He skated with a metal rod in his leg for one season and kept it as a souvenir . . . Has two brothers and a sister . . . His father is a welder . . . One of the most popular North Stars . . . Was married to Linda Garron July 7. Linda is also from Sarnia.

Obtained — Signed as a free agent, September 28, 1979.

George Ferguson

RIGHT WING/CENTER

21

Height: 6-0 — Weight: 189 lbs.
180 cm. — 86 kg.
Age: 32 (Aug. 2, 1952)
Born: Trenton, Ont.
Off-Season Home: Picton, Ont.
Right Handed, Shoots Right

1983-84 — George Ferguson's value to the North Stars cannot be judged on goals and assists. His penalty-killing and defensive skills are what make him a valuable member of the North Stars' roster, especially when Coach Mahoney needs some special checking attention paid to an opposing player. That's the role Ferguson has filled admirably in his two years with Minnesota.

His Game — Ferguson's talents extend into many areas of the game. He is one of the league's best penalty killers and a real threat to score shorthanded goals. He is a smooth and almost effortless-appearing skater and a sound defensive player.

Career — Minnesota is the third stop in Ferguson's professional career. A first-round draft choice (11th overall) by Toronto in 1972, he spent six seasons with the Leafs before he was dealt to Pittsburgh in June of 1978 with Randy Carlyle for Dave Burrows. He played the next four seasons with the Penguins before moving to Minnesota.

Notes — He has performed for teams that have made the playoffs for the last 11 years . . . Recorded one playoff hat trick earlier in his career . . . Shares the NHL record of three goals in one period of a playoff game — for Toronto against Los Angeles in 1978 . . . Played junior hockey for Oshawa and Toronto in the Ontario Hockey League . . . Scored 104 points in his last junior season . . . His wife, Candi, works at Tom McCarthy's restaurant.

Obtained — Obtained from Pittsburgh October 28, 1982 along with Pittsburgh's first round choice (Brian Lawton) in the 1983 Entry Draft for Anders Hakansson, Ron Meighan and Minnesota's first round choice (Bob Errey) in 1983 Entry Draft.

Age: 26 (Nov. 30, 1958)
Born: The Pas, Man.
Off-Season Home: Edina, Minn.
Right Handed, Shoots Left

1983-84 — Once again Curt Giles was as steady as a rock on the North Stars' defense. As usual, he kept his offensive skills under wraps most of the year, but did score the second two-goal game of his career and a career season high of six goals. He missed eight games with a knee injury suffered January 12 in a game against Toronto.

His Game — Body checks are what most people notice about Giles — especially opposing forwards. He has the Leo Boivin style hip check, which is a lost art in today's game, and he uses it with deadly effectiveness. Giles is a defensive-minded player and a very consistent player. In the words of former Coach Glen Sonmor, "he is an every-nighter."

Career — Giles played only a half year in the minors after graduation from Minnesota-Duluth. His college career was splendid. He won All-American honors twice at UMD where he enrolled as a 16-year-old freshman.

Notes — Was named the North Stars' most valuable player by his teammates in 1980-81 . . . Curt and his wife, Mary Pat, have a son and a daughter, Michael and Ashley . . . Is one of the team's alternate captains and one of the most popular players amongst his teammates . . . Has a degree in secondary education from UMD . . . Enjoys golf . . . Nickname is Pengy, short for Penguin.

Obtained — Minnesota's fourth choice (54th overall) in 1978 Entry Draft.

Height: 6-1 — Weight: 195 lbs.

Age: 25 (June 29, 1952)
Born: Stratford, Ont.
Off-Season Home: Eden Prairie, Minn.
Right Handed, Shoots Left

1983-84 — Craig Hartsburg's presence was missed by the North Stars last season. A knee injury in the second game of the season left him sidelined for 14 games, and a second, far more-severe episode and major surgery on his left knee January 10 cost him the rest of the season. He played only 26 games, almost all of them with a knee that did not allow him to perform at his best.

His Game — A strong skater, Hartsburg is the prototype of a splendid offensive defenseman. An excellent puck handler, he can control a game by slowing down the play and setting things in motion. Hartsburg's shot is effective from the point, but he is equally dangerous from short range.

Career — His professional career started early. When he was 18 years old he left junior hockey to join Birmingham of the World Hockey Association. The amalgamation of the WHA with the National League made him available in the Entry Draft of that season. Minnesota selected him in the first round. Since then he has played in three All-Star Games, in two World Championships and in one Stanley Cup final.

Notes — Craig and his wife, Peggy, have two children, Christopher and Katie ... He is the 11th captain in the history of the North Stars ... Holds team records for assists (60) and points (77) in one season by a defenseman.

Obtained — Minnesota's first choice (sixth overall) in 1979 Entry Draft.

Height: 6-4 — Weight: 211 lbs.

Age: 21 (January 27, 1963)
Born: Minneapolis, Minn.
Off-Season Home: Minneapolis, Minn.
Right Handed, Shoots Right

1983-84 — Tom Hirsch was one of the brightest stars on defense for Team USA in both its pre-Olympic schedule and in the Winter Olympics in Sarajevo. He finished second in scoring among the team's defensemen and saw more ice time than any other USA blueliner. He may be remembered more in the Olympics for a shot that did not go in — his blast that hit the crossbar, depriving the United States of a tie with Canada. Hirsch joined the North Stars after the Olympics and made a substantial contribution late in the regular season and in the playoffs.

His Game — Hirsch has used two years of college and one year with the Olympians to become a more versatile defenseman. Where he once was considered strictly an offense-oriented defenseman, he now brings praise in all facets of the position.

Career — He was a varsity regular at the University of Minnesota during both his freshman and sophomore years. He was named the UM's rookie of the year in 1981-82 and helped his team reach the NCAA Final Four in 1982-83.

Notes — Made All-City his first three years at Patrick Henry High School in Minneapolis and was an all-state player as a senior . . . Paul Holmgren

RIGHT WING

15

Height: 6-2 — Weight: 212 lbs.
185 cm. — 96 kg.
Age: 28 (Dec. 2, 1955)
Born: St. Paul, Minn.
Off-Season Home: Eden Prairie, Minn.
Right Handed, Shoots Right

1983-84 — Unless you were there to see it, you couldn't imagine the difference Paul Holmgren made to the North Stars when he joined the team last February. His qualities of leadership, on and off the ice, gave the team a needed lift late in the season and in the playoffs. There were only 17 games remaining in the season when he came to Minnesota and even though he was injured, he wanted to play and did — he eventually underwent shoulder surgery (April 28) during the Division Finals. The example he set meant more to the team than any number of goals.

His Game — For eight years Holmgren was what Philadelphia General Manager Bobby Clarke called a "heart and soul" player for the Flyers. He is a leader who leads by example, by playing each game as hard as he can. A fearless competitor, he is one of the league's hardest hitters. When it comes to scoring, he is most dangerous around the goal crease where he specializes in making life miserable for goaltenders.

Career — Holmgren spent the better part of eight seasons as a Flyer, but before he joined Philadelphia, his entire life, on and off the ice, had been spent in Minnesota. He played for St. Paul's Harding High School, for the St. Paul Vulcans juniors, for the University of Minnesota and for the WHA's Fighting Saints. His career nearly ended during his first season at Philly. He suffered an eye injury that required surgery and nearly died when he had an allergic reaction to the anesthetic. After recovering, he went on to play a leading role in making the Flyers one of the NHL's powers. One of his high points occurred on May 15, 1980 when he became the first United States-born player to record a hat trick in the Stanley Cup finals. He played exactly 500 games with the Flyers.

Notes — Played for former North Stars Coach Glen Sonmor when both were with the Fighting Saints . . . A dedicated University of Minnesota hockey fan who follows the Gophers results closely . . . First played at Met Center as a performer for Harding in the state high school tournament . . . Played for the UM team in the NCAA tournament in 1975 . . . Was a fifth-round draft choice by Philadelphia in 1975 . . . Played in two All-Star games as a Flyer.

Obtained — Obtained from Philadelphia February 23, 1984 for Paul Guay and a third-round draft choice in 1985.

Brian Lawton

CENTER

98

Height: 6-0 — Weight: 173 lbs.
180 cm. — 78 kg.
Age: 19 (June 29, 1965)
Born: New Brunswick, N.J.
Off-Season Home: Cumberland, R.I.
Right Handed, Shoots Left

1983-84 — It seemed that every time Brian Lawton started to hit his stride in his first season in the National Hockey League, an injury knocked him out of action and he had to start all over again. He suffered a shoulder separation and stretched knee ligaments in separate incidents. The two injuries cost him 18 games, but perhaps more important set back his development on both occasions. When he was healthy, he played excellent hockey over several stretches. His even plus-minus record attests to that.

His Game — He is a tough, determined checker, who forechecks very well and takes the body without taking himself out of position. He is mentally and physically tough and has a tremendous desire to succeed. Lawton is a talented playmaker who seems to enjoy setting up his linemates even more than scoring a goal himself. His passing skills are first rate.

Career — Lawton was chosen Rhode Island high school athlete of the year by USA Today to cap a marvelous career as a schoolboy athlete. He led that state in scoring for two straight years while performing on one of New England's strongest squads. His abilities were such that he was selected to play for the United States in the world junior and world B tourneys. The North Stars then made him the first overall selection in the NHL amateur draft.

Notes — He is neither the first nor the last player chosen from Mount St. Charles by the Stars. Winger Paul Guay was picked by Minnesota in the sixth round in 1981. Teammate Tom McComb, a defenseman, was chosen, also in the sixth round, in June of 1983 ... Lawton is single ... He graduated from high school with a 3.2 grade-point average ... Mount St. Charles won four straight state titles and posted a 121-3-2 record in Lawton's four years there ... He has three brothers ... His father, Richard, is a pressman at a Providence newspaper ... He set a team record for rookies by scoring twice in 19 seconds against Chicago on Nov. 5 last season ... Played for the United States in the 1984 Canada Cup series.

Obtained — Minnesota's first choice (first overall) in 1983 Entry Draft.

Craig Levie

(LEH-vee)

DEFENSE **34**

Height: 5-11 — Weight: 187 lbs.
180 cm. — 85 kg.
Age: 25 (Aug. 17, 1959)
Born: Calgary, Alta.
Off-Season Home: Cochrane, Alta.
Right Handed, Shoots Right

1983-84 — To say that Craig Levie was the surprise package of the North Stars' 1983-84 season is an understatement. When the team acquired him from Winnipeg, it was expected that he would play an important role for Minnesota's farm team in Salt Lake. That's where he started the season and that's where he returned three more times. But on each occasion Levie came back to the North Stars, the last time on March 6 to stay for the season and through the playoffs. Although he played just 37 regular season games he was the team's fourth-highest scoring defenseman with 19 points and third among defensemen in the playoffs with five points.

His Game — Levie places his emphasis on offense. He is effective on defense but it is on attack where he shines. A strong skater and gifted puck carrier, he is especially formidable on the power play.

Career — Levie was selected by Montreal in the third round of the 1979 Entry Draft. In 1980-81 he was voted the defenseman of the year in the American Hockey League, when he scored 20 goals, 62 assists and 162 penalty minutes for Nova Scotia. He was claimed on waivers by Winnipeg before the start of the 1981-82 season and played parts of two NHL seasons with the Jets before being dealt to the North Stars.

Notes — Played junior hockey in Edmonton and Flin Flon, Manitoba . . . Nickname is Cowboy . . . He and his wife, Joanne, have two sons, Bradley and Byron . . . Works as a hockey school instructor in the off-season.

Obtained — From Winnipeg with Tom Ward for Tim Young on Aug. 3, 1983.

Dan Mandich

DEFENSEMAN

32

Height: 6-3 — Weight: 210 lbs.
190 cm. — 95 kg.
Age: 24 (June 12, 1960)
Born: Brantford, Ont.
Off-Season Home: Brantford, Ont.
Right Handed, Shoots Right

1983-84 — An unusual ailment knocked Dan Mandich out of the North Stars' lineup for almost the entire second half of last season and for all of last year's playoffs. Mandich suffered a knee injury January 16 in a game against Los Angeles and then contracted a staph infection that sapped his strength and left him in such a weakened condition that he was out of the lineup the rest of the season. Before the illness, Mandich had been filling his role as one of the club's hardest hitters and fiercest competitors.

His Game — Mandich is muscular, but that is far from the sum of his talents. He's strong on his skates and has a good shot. Still, he's most effective in front of his net where he clears out the opposition with maximum intensity. Experience is his greatest need. He played 67 games his rookie year, but was deprived of the chance to add substantially to that total last season.

Career — He played at the lower age levels with a young man who has achieved a measure of fame. That's Wayne Gretzky, who also grew up in Mandich's home town of Brantford, Ontario. The two went in different directions in later years, Gretzky to become hockey's teen-aged wonder, Mandich to Ohio State and college. He was ignored in the draft, but was noticed by a pal of then-coach Glen Sonmor. That led to his signature on a Minnesota contract in 1982.

Notes — Mandich was married last June. His wife, Caroline, has a degree in history from the University of Western Ontario and is also a certified fitness instructor . . . Another of his teammates at Brantford was Greg Stefan, the Red Wings goaltender . . . Enjoys scuba diving.

Obtained — Signed as a free agent, July 1, 1982.

CENTER **9**

Height: 5-8 — Weight: 174 lbs.
170 cm. — 79 kg.
Age: 28 (Nov. 17, 1955)
Born: Toronto, Ont.
Off-Season Home: Eden Prairie, Minn.
Right Handed, Shoots Left

1983-84 — During the regular season last year, Maruk played less and scored less than he had in any season since breaking into the league with California in 1975. But he was used on a regular basis during the playoffs and responded with a five-goal, five-assist performance, third best among all of the North Stars' forwards.

His Game — At barely 5-foot-8, Maruk gives up almost half a foot to his average peer. But those who collide with him in the corners more often than not discover him to be small only in height. He is exceptionally powerful in the upper body and has the quickness, the aggressiveness and the touch needed to sneak the puck across the goal line.

Career — Maruk was drafted in the second round in 1975 by the California Golden Seals. He moved with the Seals from Oakland to Cleveland and eventually to Minnesota after the 1977-78 season when the Barons merged with Minnesota. Maruk went to training camp with the North Stars, but a week into the season he was swapped to the Capitals. In 1981-82 he became the fifth player in league history to score 60 or more goals. He scored 50 the year before. He has collected 30 or more goals in six of his nine NHL seasons.

Notes — Bill Mahoney, North Stars head coach, was an assistant to Gary Green with the Capitals during Maruk's prime scoring seasons ... Maruk played three years of junior hockey with London of the OHL ... Averaged 123 points a season during that span ... Named the OHL's MVP in 1974-75 after scoring 145 points in 65 games for London ... Nickname is PeeWee ... A former goalie in Box lacrosse ... Likes golf and tennis ... Dennis and his wife, Joni, have two children, Jonathan and Sarah ... Dennis attended Hennepin Vocational Technical Institute last summer ... Joni has a Bachelor of Science degree in nursing.

Obtained — Obtained from Washington on July 5, 1983 for Minnesota's second-round draft choice (Stephen Leach) in 1984.

Brad Maxwell

DEFENSE

Height: 6-2 — Weight: 195 lbs.
185 cm. — 89 kg.
Age: 27 (July 8, 1957)
Born: Brandon, Man.
Off-Season Home: Burnsville, Minn.
Left Handed, Shoots Right

1983-84 — Last season was the best recorded by Brad Maxwell in his seven years in the National Hockey League. He scored 19 goals, breaking the team record for rearguards he set in his rookie year. He accomplished personal bests of 54 assists and 73 points. He represented the North Stars in the mid-season All-Star game. He scored two goals in a game on five occasions. He added 13 points in the playoffs, second-highest among all Minnesota players.

His Game — Maxwell has changed his style a great deal since his early years in the NHL. In those days he concentrated mostly on offense. His game now is more evenly-balanced between offense and defense. He is still a threat from the point or from medium range, but he pays close attention to his defensive chores. He also gives the North Stars more than a measure of toughness on the blue line and in front of the net.

Career — One of the keys to his success in the last two years has been his ability to avoid injuries. He had been hampered for the three previous seasons by long stretches on the sidelines. But he missed only three contests last year compared with 22, 53 and 29 in 1979-80, 1980-81 and 1981-82. Maxwell's first two seasons in the NHL were relatively injury free and most productive. At one point he held nearly every offensive record for Minnesota defensemen and still has more than his share of the marks.

Notes — Maxwell is the best golfer on the team. He plays to a five handicap . . . Enjoys hunting . . . Was a junior teammate of the Rangers' Barry Beck at New Westminister, B.C. where their team won the Memorial Cup . . . Brad and his wife, Cathy, are the parents of two children, Shannon and Brent . . . Scored four assists in one game last season (Oct. 7 in Vancouver) to tie a team record for defensemen . . . Reached a personal high of 225 penalty minutes last season . . . His sister, Rhonda, is married to Quebec's Rick Lapointe.

Obtained — Minnesota's first choice (seventh overall) in 1977 Entry Draft.

Tom McCarthy

LEFT WING

Height: 6-2 — Weight: 210 lbs.
185 cm. — 95 kg.
Age: 24 (July 31, 1960)
Born: Toronto, Ont.
Off-Season Home: Burnsville, Minn.
Right Handed, Shoots Left

1983-84 — After four seasons it was becoming evident that Tom McCarthy was a good half-season performer. But the talented forward put together a fifth season that has been equalled by few left wingers in the team's history. He scored 22 goals in the first half of the season, 17 in the second half to reach a personal best of 39 goals. His plus-minus record of plus-17 was best on the team, earning him the club's Emery Edge award. He had 11 multiple-goal games, including his first two NHL hat tricks.

His Game — McCarthy combines finesse with strength, a combination that works well around the net. He has the talent for playmaking and scoring that results in goals and assists. Through much of the last three seasons he has been teamed with Dino Ciccarelli and Neal Broten on Minnesota's most explosive line.

Career — His goal total for five seasons is remarkable considering the number of times injuries have forced him from the lineup. He has missed 84 of a potential 400 games in those five years. Given his average goalscoring, he would have collected 31 more tallies had he been able to play those 84 contests.

Notes — He and his family have opened a popular fish & chips restaurant called McCarthy's, Just for the Halibut located at 514 East 60th Street (at Portland) . . . Played junior hockey in Oshawa, Ontario . . . His nickname is Juggie . . . McCarthy is not married . . . Played in the 1983 All-Star game . . . Was the NHL's sixth most-accurate shooter last season at 23.6 percent.

Obtained — Minnesota's second choice (10th overall) in 1979 Entry Draft.

Gilles Meloche

(JHIL) (mel-LAWSH)

GOALTENDER **27**

Height: 5-9 — Weight: 185 lbs.
172 cm. — 84 kg.
Age: 34 (July 12, 1950)
Born: Montreal, Que.
Off-Season Home: Belle Feuille, Que.
Right Handed, Shoots Left

1983-84 — Meloche recorded his sixth straight 20-victory season — one for each of his years with the North Stars. It wasn't until quite late in the season, March 7 against the Rangers, that he turned in victory No. 20 for 1983-84. He ran his total to 21 before the season was out. His triumphs were slightly weighted toward the first half of the year when he scored 13 of the 21 wins.

His Game — Meloche's style is well-grounded in the basics of goaltending. He stands up, cuts the angles and lets the shooters make the mistakes. He also is skillful at playing the puck to his teammates and has 13 career assists to prove the point.

Career — He has played 13 full seasons in the NHL. Tony Esposito is the only other NHL goalkeeper to play more seasons than Meloche. After a brief stay at Chicago in 1970, he was dealt to California where he toiled for five seasons, stopping 40 to 45 pucks a game for the lowly Seals. Conditions didn't improve at Cleveland, but life in the nets did change for Meloche when the Barons merged with the North Stars. Played in the 1980 and 1982 NHL All-Star games, has been named Minnesota's most valuable player twice and has emerged as one of the league's premier goaltenders.

Notes — He recorded his 19th and 20th NHL shutouts last season, his eighth and ninth as a North Star, against the Devils and the Canucks . . . Passed the 35,000-minute mark in regular-season play last season . . . Twice he was asked to play for Team Canada in the world championships, first in Prague in 1978 and then in Finland in 1981 when they won a bronze medal . . . Meloche is the oldest of six children . . . He grew up in Ville Emard, a French section in the southwest side of Montreal . . . Owns a restaurant in Montreal that is run year-round by his two brothers . . . Gilles and his wife, Nicole, are the parents of two children, Eric and Annie . . . He is the only surviving player of the Cleveland side of the Barons-North Stars merger.

Mark Napier

RIGHT WING

16

Height: 5-10 — Weight: 184 lbs.
175 cm. — 84 kg.
Age: 27 (January 28, 1957)
Born: Toronto, Ont.
Off-Season Home: Toronto, Ont.
Right Handed, Shoots Left

1983-84 — Hampered by injuries when he joined the North Stars, it took Mark Napier quite a while to hit his stride last season. The normally high-scoring winger managed 16 goals in the regular season after back-to-back 40 goal years in the previous two seasons. It is worth noting that 10 of his goals were scored in the last 24 games of the season, an indication that once he was healthy, his scoring touch returned.

His Game — Napier is a threat to score whenever he's on the ice. His offensive skills — shooting, passing, skating — all rank high in any listing of National Hockey League forwards. He has a hard and heavy shot that he uses with great accuracy.

Career — Napier was one of the youngsters who left junior hockey to join the World Hockey Association team in Toronto back in 1975. He won rookie of the year honors that season and went on to score 60 goals when that team was moved to Birmingham, Alabama, the next season. Napier had been selected 10th overall by the Canadians in the 1977 Entry Draft and joined them in 1978.

Notes — Napier and his wife, Janice, are the parents of a son and a daughter, Matthew and Carly ... Played for former North Stars coach Glen Sonmor at Birmingham ... Enjoys golf ... Had a lifetime record of six goals and five assists against the North Stars in 16 games with Montreal.

Obtained — From Montreal October 28, 1983 along with Keith Acton and Montreal's third choice in the 1984 Entry Draft for Bobby Smith.

Steve Payne

LEFT WING

44

Height: 6-2 — Weight: 215 lbs.
185 cm. — 98 kg.
Age: 26 (Aug. 16, 1958)
Born: Toronto, Ont.
Off-Season Home: Apple Valley, Minn.
Right Handed, Shoots Left

1983-84 — Steve Payne fell short of the 30-goal mark for the first time since his rookie season. But the muscular left winger was right in the ball park. He scored 28 goals and had an excellent chance to reach 30 before he went dry in the last five games of the regular season. He played the hero's role in the playoffs when his sudden-death overtime goal in the seventh and deciding game against St. Louis advanced the North Stars to the Campbell Conference finals. It was the third overtime playoff winner in Payne's career.

His Game — Payne's style has not changed significantly since he came to Minnesota in 1978. He uses his size and strength to gain a favorable position in front of the net or in the slot and scores the majority of his goals from short range on deflections and rebounds. His goals often come in bunches. He had at least one hat trick in each of his first five professional seasons. He is a strong skater, one the opposition has a hard time knocking off the puck.

Career — He has scored more career goals (186) and single-season goals (42) than any left wing in the North Stars' history. He now ranks second on the team's all-time goal scoring list behind Bill Goldsworthy. Payne has been consistent and durable during his six seasons in the NHL. He never has missed more than six games in a season and was one of five North Stars to play at least 78 games last season.

Notes — Is an avid drag racing fan and during the off-season can often be found at Brainerd International Raceway in northern Minnesota . . . Would someday like to drive a funny car . . . Steve and his wife, Donna, have one son, Ryan, born last season . . . Likes to golf, fish and play the guitar . . . Also enjoys hunting and has two dogs, a brittany and a lab . . . Played junior hockey in Ottawa . . . Has scored 34 playoff goals, most ever by a North Star . . . Played in the 1980 NHL All-Star game.

Obtained — Minnesota's second choice (19th overall) in 1978 Entry Draft.

LOUISVILLE

Willi Plett

LEFT WING

24

Height: 6-3 — Weight: 220 lbs.
191 cm. — 99 kg.
Age: 29 (June 7, 1955)
Born: Paraguay, South America
Off-Season Home: Marietta, Ga.
Right Handed, Shoots Right

1983-84 — If it wasn't for Willi Plett the North Stars' run in the playoffs would have ended earlier than it did. When Minnesota faced St. Louis in the seventh game of the Division Finals, the Blues forged a one-goal lead with less than five minutes to play. The outlook appeared bleak for the North Stars. But after the ensuing faceoff, Plett nabbed the puck, skated near the St. Louis blue line and unleashed a 70-foot shot that cleanly beat goalie Mike Liut. That tied the score and the North stars eventually won on Steve Payne's overtime goal. Plett's goal was one of six he scored in the playoffs, leading the North Stars in that category.

His Game — Plett takes full advantage of his size and strength. He is able to park himself in front of the goal and fend off attempts to move his 220 pounds from that position. He is able to screen the opposing goaltender and lay the groundwork for deflections and tip-ins by himself, and also for goals by teammates that the goalie is unable to see until the last split second. Willi also is capable of controlling play along the boards and in back of the net.

Career — Plett was a late bloomer in junior hockey and was not drafted until the fifth round in 1975. But one year in the minor leagues gave him all the seasoning he needed. By 1976-77 he progressed to the point that he won NHL rookie of the year honors at Atlanta. He had his best season as a professional in 1980-81 when he scored 38 goals in the regular season, eight more in the playoffs and made life miserable for the North Stars while performing for Calgary.

Notes — Willi and his wife, Robin, are the parents of three sons, Bryan, Robbie and Blair . . . Born in South America, he moved to Canada with his family at an early age. His parents migrated to Paraguay after World War II from the USSR . . . Has lived in Atlanta in the off-season since he played there for the Flames . . . Likes golf and wood-working . . . Set a team record of 316 penalty minutes last season.

Obtained — From Calgary on June 7, 1982, with Calgary's fourth choice (Dusan Pasek) in 1982 Entry Draft for Steve Christoff, Bill Nyrop and Minnesota's second choice (Dave Reierson) in 1982 Entry Draft.

Dave Richter

DEFENSE

Height: 6-4 — Weight: 215 lbs.
193 cm. — 98 kg.
Age: 24 (April 8, 1960)
Born: Winnipeg, Man.
Off-Season Home: Winnipeg, Man.
Left Handed, Shoots Right

1983-84 — After one year of seasoning in the minor leagues, Dave Richter made his mark in the National Hockey League. Although injuries kept him off the ice for extended periods, he played an importrant role for the North Stars during the regular season and in their drive for the Norris Division title. He gained confidence and skill on defense this season and was also the team's most-visible deterrent.

His Game — When you are Richter's size — he is the largest North Star — you can use your bulk and its accompanying strength to the best advantage. He is a force around the net and controls play along the boards.

Career — He spent his college career at the University of Michigan where he was one of the bulwarks of the Wolverines' defense. Richter chose to sign a professional contract after he completed his college eligibility in 1982. He saw action for the North Stars and their Nashville, Tennessee, farm team for a few games at the conclusion of that season, then spent most of 1982-83 at Birmingham, Alabama, where he performed for the Central League club in that city.

Notes — Richter earned his Bachelor of Science degree in Education at Michigan . . . Wears contact lenses on the ice . . . Is single . . . Missed the last nine games of the regular season and eight playoff games with strained abdominal muscles suffered while weight lifting . . . Scored his first NHL goal December 4, 1983 in Madison Square Garden on a backhander from the blue line . . . Enjoys running.

Obtained — Minnesota's 10th choice (205th overall) in the 1980 Entry draft.

Gordie Roberts

DEFENSEMAN

10

Height: 6-0 — Weight: 193 lbs.
180 cm. — 87 kg.
Age: 27 (Oct. 2, 1957)
Born: Detroit, Mich.
Off-Season Home: Bloomington, Minn.
Right Handed, Shoots Left

1983-84 — Gordie Roberts put together his best back-to-back seasons in 1982-83 and 1983-84. The Detroit-born performer was chosen the team's best defenseman by members of the media who cover the North Stars on a regular basis. He scored personal highs of 53 points and 45 assists for the season and matched his personal best of eight goals in an NHL season. For the full season he was a plus-14, best among Minnesota defensemen and third best on the team. Roberts was clearly the North Stars' best defenseman in post-season play before a lower back injury slowed him in the Campbell Conference Championship against Edmonton.

His Game — Roberts' game has matured along with him. He has become a steady, sound force on the blue line. That's not to say he isn't capable of an end-to-end rush that brings the crowd to its feet. But by and large he stays at home and does the chores that make him the North Stars' most-effective defenseman.

Career — Gordie was signed at the age of 18 by the World Hockey Association's New England team. He played with the Whalers for five and half seasons before he was traded to Minnesota. He led all WHA defensemen in scoring in back-to-back seasons, 1977-78 and 1978-79.

Notes — Named after Gordie Howe, he assisted on the final regular-season goal ever scored by the legendary performer . . . Enjoys tennis and biking . . . Was the North Stars pitcher in the Molson NHL slo-pitch tournament last summer in Niagara Falls . . . Gordie is the North Stars' player representative . . . Often donates his time to Cystic Fybrosis . . . Reads more newspapers per day than any other North Star . . . Played for the United States in the last two Canada Cup series . . . Gordie's wife, Marlo, has a degree in political science from the University of Hartford and studied interior design at the University of Minnesota . . . She now works as an interior decorator.

Obtained — Traded by Hartford to Minnesota December 16, 1980 for Mike Fidler.

Harold Snepsts
(SNEPS)

DEFENSE **28**

Height: 6-3 — Weight: 215 lbs.
191 cm. — 98 kg.
Age: 30 (Oct. 24, 1954)
Born: Edmonton, Alta.
Off-Season Home: Vancouver, B.C.
Right Handed, Shoots Left

1983-84 — It was a typical season for Harold Snepsts. He played every game but one. He logged more than 150 minutes in penalties. He scored four goals and 20 points. More important, he was what Minnesota General Manager Lou Nanne called a "heart and soul player" for the Vancouver franchise and will bring that quality with him in his first season with the North Stars.

His Game — Could be compared to Washington's Rod Langway. Snepsts concentrates on the defensive portion of the game, basing his game on a stay-at-home philosophy. He is known as a hitter and adds toughness on the blue line and in front of the net.

Career — Snepsts played more games (683) and amassed more minutes in penalties (1,351) than any Canuck in the history of the team in his 10 years at Vancouver. A third-round choice by the Canucks in the 1974 draft, he spent his entire professional career, other than a few Central League games, at Vancouver. He represented the Canucks in the 1977 and 1982 All-Star games and was chosen his club's best defenseman four times.

Notes — He is single ... Plays golf and tennis in the off-season ... Was one of the most-popular sports personalities in Vancouver ... Played in 37 playoff games, most ever by a Vancouver performer ... Played junior hockey in his home town of Edmonton ... Scored on a penalty shot against Minnesota's Gilles Meloche February 2, 1980 at Met Center, the only penalty shot ever allowed by Meloche.

Obtained — Obtained from Vancouver on June 21, 1984 for Al MacAdam.

Randy Velischek

(VEL-iss-shek)

DEFENSE

6

Height: 6-1 — Weight: 206 lbs.
185 cm. — 93 kg.
Age: 22 (Feb. 10, 1962)
Born: Montreal, Quebec
Off-Season Home: Montreal, Quebec
Right Handed, Shoots Left

1983-84 — Velischek started the season with the North Stars but was sent to Minnesota's Central League farm team in Salt Lake after playing only 14 games. Four different occasions he was sent to the minors, but each time he returned to the NHL, the last time on March 20 to finish the season with the North Stars. He played 33 games for the North Stars and 43 games for Salt Lake, helping that team to finish the season in third place in the final CHL standings.

His Game — He is a defensive defenseman, one who stays home and minds the store. His reactions are quick. He does not hang on to the puck when he acquires it in his zone. Instead he will usually make a swift pass to start the flow moving toward the other end. Randy has a good shot, but uses it sparingly. What he lacks most is experience.

Career — Velischek's credentials in Junior B hockey impressed the North Stars enough so that the team made him its third-round draft choice in 1980. He chose to attend Providence where he played four years of varsity hockey and made steady progress in each of those seasons. Joined the North Stars for the last three games of the 1982-83 regular season and for nine playoff games that same year.

Notes — Was graduated magna cum laude from Providence in May of 1983 . . . Was chosen winner of the 1983 Rev. Raymond St. George Award for academic achievement in language studies . . . Maintained a 4.0 grade-point average at Providence . . . Is fluent in three languages: French, German and English . . . Had a double major in languages and business . . . Randy is single . . . Signed a four-year contract with Minnesota.

Obtained — Minnesota's third choice (53rd overall) in the 1980 Entry Draft.

MINNESOTA NORTH STARS

NORTH STARS' TRAINERS

The firm of Rose and Ness is back in business in the North Stars' dressing room this season. Trainer Dick (Doc) Rose launches his 15th year of healing the North Stars' aches and pains. His assistant, Larry Ness, is in his fifth season with the Minnesota club. Rose, 46, is a native of St. Paul who joined the North Stars in 1970 after gaining experience with the United States Olympic team and the South St. Paul Steers of the United States League. A bachelor, Rose spends much of the off-season on the North Shore of Lake Superior near Lutsen, Minn. Ness, a 30-year-old native of Hibbing, Minn., attended Hibbing Community College and the University of Minnesota. He worked for minor-league teams in Milwaukee, Wisconsin and Binghamton, New York before he was hired by the North Stars. He was selected as one of the trainers for the 1984 Campbell Conference All-Star team and also served as one of two trainers for Team USA in the 1984 Canada Cup competition. Ness served two years (1982-83 and 1983-84) as medical program director for the Professional Hockey Trainers Association. Ness and his wife, Ruth, are the parents of a daughter, Nicole. Like Rose, they enjoy the shore in the summer and spent the last two summers in Cape Cod.

1984 Draft Choice Profiles

DAVID QUINN . . . North Stars first choice (13th overall) . . . Was the first U.S. high school player taken in the 1984 draft . . . Attended Kent School in western Connecticut . . . Led Kent to a 21-3-1 record, the Housatonic Valley League title, two tournament crowns and a second-place finish in the New England Prep School Tournament . . . He was co-captain of the Kent football, hockey and baseball teams as a senior and served as the school's prefect, acting as liaison between the student body and faculty . . . Has accepted a full hockey scholarship to Boston University.

KEN HODGE . . . North Stars second choice (46th overall) . . . Will attend Boston College . . . Is the son of former NHL star Kenny Hodge, who played 13 NHL seasons with Chicago, Boston and the NY Rangers.

MIROSLAV MALY . . . Drafted by the North Stars in the fourth round (76th overall) . . . Nickname is Mirek . . . Had played on the Bayreuth second division team in West Germany since last January . . .
